"Christianity is a fighting religion. It thinks God made the world—that space and time, heat and cold, and all the colors and tastes, and all the animals and vegetables, are things that God "made up out of His head" as a man makes up a story. But it also thinks that a great many things have gone wrong with the world that God made and that God insists, and insists very loudly, on our putting them right again." CS Lewis

Sometimes, in the course of our work for Jesus in this world, we are confronted with a quandary. Do we just wander through and hope all things sort themselves out, or do we (as the Church) try to make things right and prevail against the very gates of hell (Matthew 16). We can't put all things right, but we can be an agent of thinking and acting out God's plan and God's view of right, expressed in God's word. While we fight, let's remember we aren't fighting our Christian brothers and sisters ... we fight against "powers and principalities" that feed evil in this world. God's good is real and Satan's evil is also real. *Randy*

# AUMC NEWS — August 2022

## Abbeville United Methodist

**Thank You, Church Family!** Your response to the information meeting last Sunday was just wonderful. I appreciate your interest and input as we explore this process of disaffiliation. Hang on because we have at least a couple more times we need to meet as a church body. This Sunday the Administrative Board will meet following the 11:00 service. In late August, our District Superintendent will come back to our church to hold a church conference. At this meeting we will vote on disaffiliating. Your continued participation is needed in this important process. *Marilyn*

**Softball Tourney Aug. 4-11:** Our softball team is undefeated with a 15-0 record and 36 homeruns for BFF! You can be a part of this ministry by making a donation to AUMC and designating "BFF Homerun Derby!"
